The Vauxhall Cavalier was a large family car sold primarily in the UK by Vauxhall from 1975 to 1995. It was based on a succession of Opel designs throughout its production life, during which it was built in three incarnations. The first generation of Cavalier, launched in 1975 and produced until 1981, was based on the existing Opel Ascona with a few minor visual differences.

Evening all, Has anyone come across a DIY guide for the G28 sensor on the BKD? I'm having some real issues trying to access it to replace. Had the car on ramps at college last night and I've read a few threads here and there normally saying "Yeah, dead easy just 1 5mm bolt holding it into the bell housing"
