Harley-Davidson History Timeline | Harley-Davidson USA

When you think about Harley-Davidson motorcycles, it's most often about the V-Twin engines, the retro-styling and the inescapable sound. Many forget that the motor company manufactured a lightweight two-stroke engine and runabout motorcycle for 15-years. In 1947 as a 1948 model, if you purchased an entry level runabout motorcycle it came with a two-stroke 125...
