What it Costs to Fly Flying is not just for the wealthy. If you are like most non-pilots I meet, you probably think owning an airplane is too expensive for the average person.

The Cost of Aircraft Ownership - gnjpc.com

At some point in every airplane's life an engine overhaul has to be performed. To many owners it's an expensive and black-box-like process; some people avoid it altogether by buying an engine with low times and then selling when it nears TBO. I was lucky enough to have a conversation with Charlie Melot of Zephyr Aircraft Engines.
