Check to see if your garage door opener offers a battery backup, so you can easily access your garage if your home loses power. All systems come with remote garage door openers, but if you need to replace a broken or lost remote, universal garage door openers are easy to set up and control.

Garage Door Openers - Residential Garage Doors, Openers ...

Garage Door Opener Repair Vs. Replacement. Very often when your garage door opener is not functioning properly it can be repaired. Diagnosing and repairing your existing motor may be a less expensive option than replacing the unit. We often recommend repair over replacement for this

reason.
