How can i override the engineers code on an ademco microtech galaxy 60 co52 - Answered by a verified Electronics Technician. ... Hi Did you enter the code twice (see extract from manual below) To access engineer mode, enter the engineer code twice.

**How can i override the engineers code on an ademco ...**

Galaxy systems have levels of codes that are needed to perform certain things. Tamper alarms are defaulted to level 7 - and this is the engineer code. But because yours is saying Manager reset, this is the code that the person would have programmed as being level 3 to 6. Without the manager code or the engineer code, you would need to perform a
