Holt Environmental Science Active Workbook

Very happy with the Holt Environmental Science Text Book and it's accompanying work book (we bought both separately). We used this as a High School Environmental Science Curriculum with our home-schooled teen children. I recommend using both the text and workbook in conjunction with each other (sold separately).

Oil spills are another potential environmental problem of oil use. In recent years, new measures have been taken to prevent oil spills from tankers. These measures include requiring that new tankers be double-hulled so that puncturing the outer hull does not allow the oil to leak out. Also, response times to clean up oil spills have improved.
