The American economy is sluggish, the government is running large deficits, and the public is frustrated with the poor performance of federal bureaucracies. One reform that can tackle all of these problems is privatizing federal businesses and assets. This study discusses a dozen advantages of privatization and describes government activities that should be moved to the private sector.

The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. The Indians introduced the concepts of medical diagnosis, prognosis, and advanced medical ethics. The Hippocratic Oath was written in ancient Greece in the 5th century BCE, and is a direct ...
