I just got a high end customer come to me looking to drop quite a bunch of money on a full sound system for his car. The hard part is that I can't seem to find any wiring diagrams anywhere for the M3. I am assuming it is the same as the 335, but I don't want to take a chance. I know the wiring the Harman Kardon is a little different, and I'm not too worried about that, but I am installing ...
