*Ge 13 T Engine - When somebody should go to the books stores, search introduction by shop, shelf by shelf, it is in point of fact problematic. This is why we allow the book compilations in this website. It will no question ease you to see guide ge 13 t engine as you such as.*

*By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. If you object to download and install the ge 13 t engine, it is completely simple then, before currently we extend the member to purchase and create bargains to download and install ge 13 t engine hence simple!*

The General Electric J85 is a small single-shaft turbojet engine. Military versions produce up to 2,950 lb f (13.1 kN) of thrust dry, afterburning variants can reach up to 5,000 lb f (22 kN). The engine, depending upon additional equipment and specific model, weighs from 300 to 500 pounds (140 to 230 kg).

**General Electric J85 - Wikipedia**

GE Aviation, an operating unit of GE, is a leading provider of jet and turboprop engines, components and integrated systems for commercial, military, business and general aviation aircraft and has a global service network to support these offerings. GE Aviation recorded revenues of \$20 billion (US) in 2012.

**GE Aviation | General Electric**

The General Electric J85 turbine jet engine is used on the F-5 military fighter jet and the T-38 military trainer aircraft. The F-5 is a low-wing monoplane equipped with an all-moving horizontal tail mounted in the low position; the fuselage is carefully contoured in accordance with the transonic area rule.

**The General Electric J85 Engine - 456fis.org**

Collection Item Summary: In late 1953, General Electric began a design study of a high thrust-to-weight ratio turbojet engine. The prototype J85 engine ran in January 1956, the first flight was in August 1958 as the power plant of the McDonnell GAM-72 missile, and in September 1958 the prototype North American T-39 Sabreliner flew for the first time powered by the first man-rated J85 engines.
