What is the current state of Harley Davidson reliability ...

Harley engines have this reputation of being made of bad parts and to a low standard, I'd hate to say it but this is generally not the case. As for the Harley 883 engine, it's much like any other engine; take care of it properly and it'll take care of you.

How reliable is a Harley Davidson 883 engine? - Quora

The Sportster was one of the first Harley-Davidsons to be fitted with rear-suspension (it's parent bike, the Model K series was the first) and it was also the first of the Harleys to be fitted with a higher performance, overhead-valve engine. The look of the new, sportier Harley-Davidson was immediately reminiscent of the popular British ...
