It's the largest engine displacement Harley-Davidson® has ever offered for Twin Cam models. Now street compliant in North America and backed by a full 1-year factory warranty. For owners looking for extreme performance and the bragging rights that go with it, this engine is for you.

Complete Crate Engines - Harley-Davidson

Some people might assume that the term "liquid-cooled" refers to a full-blown, water-cooled engine, but Harley's so-called Twin-Cooled power plants use both oil and water for thermal relief, applying coolant only to the cylinder heads (which leaves the engine block cooled by oil and air), and focuses the cooling effort towards the hottest part of the heads: the exhaust valves.

6 Things to Know About Liquid Cooled 2014 Harley-Davidsons

Has Harley really gone water-cooled? When Harley launched the 2014 model range this week they introduced a new Twin-Cooled 103 and 110 engine to the range. By Twin-Cooled they mean that water and coolant is used to cool the heads near the exhaust ports where most of the heat is generated. It seems this has ...

Harley Twin-Cooling explained - Motorbike Writer

Director of J&P Cycles' Brand & Creative Marketing and Blogger Lowell Anderson writes about the unveiling of Harley-Davidson's two new v-twin liquid cooled engine models, which some say remind them of the Honda Shadows from the 1980's.

Harley Unveils New V-Twin Liquid Cooled Engine Models

The Harley-Davidson Twin Cam engines are motorcycle engines made by Harley-Davidson since 1998. Although these engines differed significantly from the Evolution engine, which in turn was derived from the series of single camshaft, overhead valve motors that were first released in 1936, they share a number of characteristics with nearly all previous Harley-Davidson engines.

Harley-Davidson Twin Cam engine - Wikipedia

New Engine Styling: The Milwaukee-Eight exhibits sleek, modern styling that respects the heritage of previous Harley-Davidson Big Twin engines. "The Milwaukee-Eight is styled to project power," said Brad Richards, Harley-Davidson Director of Styling.

10 Key Differences Between Harley's Milwaukee-8 & Twin Cam
