Workshop / Haynes manual - Mercedes Benz SLK Forum

IDK, just a suggestion. Haynes won't put out a manual on a vehicle until a specific amount of units are sold. That's the only way they can justify purchasing one and then having their mechanics take it apart and write the manuals. At least that's how they explained it to me years ago when I called to inquire about a manual for a car I had at ...

Forums » Off-Topic Discussion » Unusual Haynes manual. bludroptop Dork 6/9/08 9:14 a.m. I was browsing online this morning for a father's day gift - Dad's a former pilot and military history buff, particularly naval combat and aviation. I tripped across this, and as somebody who's had countless Haynes repair manuals over the years, I'm intrigued.

This book is similar to all of the other Haynes repair manuals. It's concise, useful, and inexpensive. It does not contain all of the detailed information that would be in a Toyota factory manual. But for \$20 you will get all of the information you need for most DIY repairs. I always buy a Haynes manual for every "new" vehicle I acquire.
