Trying to find the best car seat stroller combo can be a real pain in the tush - there are so many on the market, from ultra posh to super cheap. And many of them have few discernable differences beyond price. However, if you're shopping for a car seat, it's a good idea to shop for both seat and stroller at the same time. Not all strollers are compatible with all car seats.

cathythompson83507 commented on 10/31/16 . I like current and high quality everything....including clothes, shoes and assessories. Sometimes I pay top dollar (like when I was on vacation in NYC last weekend and strolled into the Louis Vuitton store and impulsively, bought a coveted cross body purse for \$1700), but only do that if my spending is balanced by finding and purchasing current and ...
