Being liberated from the shackles of commercial enterprise is one of the great joys of compiling this website.It means that every page can be developed in a free-'n'-easy fashion without buckling under a mountainous debt burden...and, of course, this is all down to the generous help of contributors, without whom it would not have been possible. For example, all the railway photos on this page ...

The primary source of information about books on railway history is George Ottley's monumental bibliography, with its two supplements (no serious public library can claim to be that if Ottley is not available). Jack Simmons' overall evaluative surveys of the literature (both in his own books and in the Oxford Companion - Ottley is mainly non-evaluative) are also useful, but Simmons was less ...
