This compactor makes so much noise when being opened or closed. It sounds like a big truck driving over huge screws. GE Repairman says he doesn't know if this is normal because hasn't worked on this model. Wish we had kept our old GE trash compactor which was quiet and worked well. We replaced it only to match the look of our other new appliances.

Trash compactor bags are a practical way to discard your waste. Due to the extreme pressure of the compactor, trash compactor bags designed to handle the force are necessary. These bags are made from tough 2.5-millimeter, multi-laminate plastic, and the patented Slip-Grip design prevents the bag from slipping into the compactor bin.
