(gynophagia, non-consensual, mystery thriller, mainstream literature) I can't remember where I found this story, but it was a very pleasant surprise to know that some good mainstream short stories out there do cater to our fantasies. This thriller follows Sarah, who found a used roll of 24 print film with some mysterious and unnerving pictures.

Vorarephilia (often shortened to vore) is a paraphilia characterized by the erotic desire to be consumed by, or sometimes to personally consume, another person or creature, or an erotic attraction to the process of eating in general practice. Since vorarephiliac fantasies cannot usually be acted out in reality, they are often expressed in stories or drawings shared on the Internet.
