Gentlemen: Like most guys here I find that the M1911 pistols and other combat weapons hold the greatest interest for me. They are important from a historical standpoint and they properly get the most attention. However, I also enjoy other USGI weapons as they are interesting in their own right. This pistol falls into that category. It is a High Standard Supermatic S-101 .22 LR target pistol.

It is a High Standard model 103 Supermatic Citation made in Hamden Connecticut in 1960ish. It has adjustable sights, barrel weights and what looks like a compensator. I've searched high and low on google, but it's hard to find any concrete information regarding this exact model of pistol because High-Standard made so many similar to it.

HIGH STANDARD ~SUPERMATIC~ ( made in 1952) Description: An early High Standard pistol. Only made from 1951 to 1953. This one is still in 97% condition. The hard brown plastic grips with a thumb rest are as new and the company logo is molded in. It has a lever take down system. It comes with TWO BARRELS.

### **HIGH STANDARD ~SUPERMATIC~ ( made in 1952)**

High Standard, founded in 1932, is a revered old name of gun making. Formerly produced in Connecticut, High Standard was particularly well known for their line of .22 caliber semi-automatic pistols. These were widely used by the military in WWII and by civilians for everything from casual plinking to international level match/target competition.
