Games Database - Online Games System Repository. Videos, Manuals, Game information.

All game manuals - Nintendo SNES - Games Database

Since the image doesn't appear until that processing is done, it can appear as though the game is running slowly. If your television has an option to turn this processing off, or if it has a "game mode" of some kind, using one of these may help with the issue. Please check your television's support documentation for more details.
