The Honda doesn't come with a dust cover or 12v charger cable (for charging external batteries). Honda gets a premium for those two items and they should be included at the price point of a premium gen-set. No in-line fuel filter. There is a fuel strainer under the fuel cap, but I'm all about redundancy when it comes to filtering fuel.

Honda included a user manual with the EU3000is that provides details about the recommended maintenance schedule. I scanned over the list and planned to just change the generator's oil, clean the air filter and trickle charge the battery. Since I've operated it just one hour a month, the generator has been used a total of 24 hours in 2 years.
