Amazon.com: john deere 6x4 gator parts

My gator's engine is toast, and rather than spend a bunch of money boring it out and rebuilding it with new internals, I'm considering either buying a new FD620D short block for \$1500, or upgrading the engine. Small Engine Warehouse advertises a conversion kit that swaps in a 24hp air-cooled Honda GX670 engine for \$1600. Has anyone tried this conversion, and if so, how do you like it?

Anyone tired the Honda GX670 engine conversion on a 6x4?

Thanks rayjay I appreciate you taking time to get the measurement for me. I will get a look at it tomorrow when I start working on it. I was just going to get an engine put in and go, now it's been almost tore down to the bare frame, welded some braces from the frame to the floor pan (my floor pan had small ripples where the pan meets the main frame just under the seats, don't think the gator ...

John Deere 6X4 gator Motor Swap - mytractorforum.com

It's just what you need to work in the most rugged terrains. Unfortunately, if the Gator won't start you might find yourself stranded with little hope of driving your 6x4 on stable ground again. Don't despair! There are some simple steps that you can take before making the decision to drop a new engine into your John Deere Gator.

Gator 6x4 Overheating problem have a John Deere XUV 4 X 4 Diesel Gator. The first few years the little Kawasaki engine performed flawlessly and the engine still starts and gives no trouble. Then, the fan would kick on and the overheat warning light would come on followed by a loss of power and the engine dying until it cooled off.

Gator 6x4 Overheating problem -- John Deere Gator -- Page 1

Any idea where the thermostat is on a john deere 6x4 gator gas engine? Mechanic's Assistant: Can you guesstimate how old the engine is? And has it done anything like this in the past? It's about 15 years old. Engine overheated last winter when I ran it a long time. Doesn't overheat when we use it to dump horse poop for about 10 minutes.
