In order to be able to post messages on the Harley Davidson Forums: Harley Davidson ...

Twin cam engine specs - Harley Davidson Forums: Harley ...

The Harley-Davidson Twin Cam engines are motorcycle engines made by Harley-Davidson since 1998. Although these engines differed significantly from the Evolution engine, which in turn was derived from the series of single camshaft, overhead valve motors that were first released in 1936, they share a number of characteristics with nearly all previous Harley-Davidson engines.
